ENERGY STAR

PRODUCT DESCRIPTION

EarthTronics 4" LED Recessed Ceiling Light Trim Kit features five color selectable operations. Switch between 2700K, 3000K, 3500K, 4000K and 5000K easily at time of installation. This LED Recessed trim kit is ideal for retrofit or new construction applications. Ideal for use in residential kitchen, bathroom, and family room applications. For commercial applications it provides a cost-effective lighting solution for offices, corridors and restrooms. This kit provides 92 lumens per watt with a high 80+ CRI for improved visual acuity and efficient performance. Damp location rated makes this product a perfect solution for high humidity areas and bathroom showers found in long-term care facilities, as well as hotel guest rooms. Easily installs in recessed downlight cans with E26 screw base connector which is included. For use on 120VAC power supplies.
